HONORBRIDGE

EMERGENCY MEDICAL SERVICES NEWSLETTER

Your Role is Vital for Your Community!

EMS plays a **crucial** role in the tissue and eye donation process. By referring **ALL** scene deaths to HonorBridge within **1 hour** of death pronouncement, you ensure all North Carolinians the opportunity to leave a legacy through the gift of donation.

In All Things Give Thanks! A Tissue Donor Blessing:

Dear donor family,

Words cannot express my gratitude for the gracious gift your loved one has given me. I have three sons (14, 12 and 8) which has led me to live a very active life. From family baseball games to hiking trips to surfing, we are always on the move. The gift from your loved one will enable me to continue to be involved with all the things we love as a family. I look forward to many years of creating precious memories with my boys as a result of your family members' kindness. I also am inspired to become a donor myself to continue to pay it forward one day. Thank you!

Sincerely,

Tracy

GIVING THANKS!

OCTOBER TOP REFERRING EMS AGENCIES

Wake County EMS

Iredell County EMS

Onslow County EMS

Stokes County EMS

The Pumpkin Patch of Facts

Approximately 2.5 million tissue transplants are performed each year.

Each year, approximately 58,000 tissue donors provide lifesaving and healing tissue for transplant.

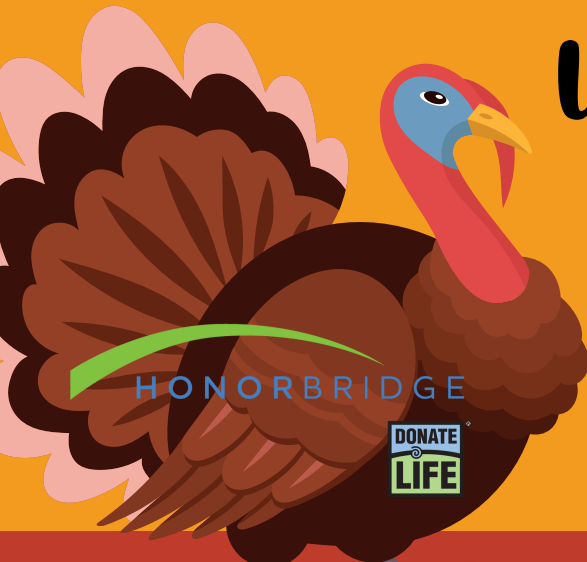

One tissue donor can heal the lives of more than 75 people.

We have a gift for you!

HonorBridge offers a FREE continuing education course for EMS agencies looking to be involved in the donation process. Contact our EMS Liaison, Heather Stanley for more information.
