

Pause to Give Life

Flag Ceremony Email Invitation Script For Speakers/Special Guests/Invitees

HonorBridge "Pause to Give Life" Donate Life Flag-Raising Ceremony and Moment of Silence

(Hospital name) has a long history of supporting organ, tissue, and eye donation. By supporting donors, their families, recipients, and those waiting, our work makes the gift of life possible for nearly **3,000** who currently wait for a lifesaving organ transplant in North Carolina. The gift of tissue and eye donation heals thousands more in North Carolina and across the U.S.

To kick off National Donate Life Month, (hospital name) will join HonorBridge and dozens of other hospitals on Wednesday, **April 1, 2026**, at **10:08 a.m.** in holding a Donate Life flag-raising ceremony and moment of silence. This remarkable event honors donors, their families, recipients, and those waiting while promoting the mission to raise awareness of the need for organ, tissue, and eye donors and the importance of registering your donation decision on your driver's license or online at honorbridge.org/registerme/.

We hope you will join us as a guest or guest speaker for this event. We would also love for you to share how donation has touched your life. Your presentation would only take a few minutes.

If you plan to do something after the flag ceremony, please add details about the event:

Following the ceremony, please join us (details on the after-event reception).

I look forward to hearing from you by (RSVP date for the hospital to decide).

Sincerely,
