2026 HonorBridge Pause to Give Life Verbiage

(for use in hospital newsletters or intranet–medium length)

Please join (hospital name) on Wednesday, **April 1**, at **10:08 a.m.** at (location of the event) as we kick off April as National Donate Life Month. We will be partnering with HonorBridge in a Donate Life flag-raising ceremony and moment of silence to honor donors, their families, recipients, and those waiting to raise awareness of the tremendous need for more registered organ, eye, and tissue donors. We will then observe a moment of silence to recognize the over 3,000 patients waiting for a lifesaving transplant in North Carolina. The time **10:08 a.m.** represents that one organ donor can save up to eight lives.
